VERIFIED STATEMENT CLAIMING SMALL ENTITY STATUS

As the Applicant of the above referenced patent application, I hereby declare that the above referenced patent application, and any Letters Patent that may be granted, qualifies for small entity status under 37 CFR 1.27 and hence qualifies for paying reduced fees under section 38 USC 41(a) and (b), to the Patent and Trademark Office.

The patent application, and any Letters Patent that may be granted, has not been assigned, granted, conveyed or licensed and is under no obligation under contract or law to have any rights assigned, granted, conveyed or licensed to any person who could not be classified as a small entity under 37 CFR 1.9 (c), (d), or (e).

I acknowledge the duty to file, in this patent application, and any Letters Patent that may be granted, notification of any change in status resulting in loss of entitlement to small entity status prior to paying, or at the time of paying, the earliest of the issue fee or any maintenance fee due after the date on which status as a small entity is no longer appropriate. (37 CFR 1.28 (b))

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the patent to which this verified statement is directed.
